Example and Explanation of a Draft Resolution

Draft Resolution 1.1
United Nations Security Council
Topic: Policies on Combating Cybercrime
Sponsors: China, France, Russia, United Kingdom

Signatories: Brazil, Germany, India, New Zealand, Spain, South Africa

The United Nations Security Council,

Recalling UN Security Council Resolution 2341 of March 13, 2017 and all other resolutions,

Determining to combat and prevent cybercrime through comprehensive international cooperation and an effective legal framework, and to protect the security and stability of the global cyberspace,

1. *Requests* all member states to strengthen their laws and regulations to combat cybercrime;

2. *Requires* all members regularly review and update their relevant laws and regulations to address new trends in associated cybercrime;

3. *Emphasizes* that countries should respect the sovereignty of cyberspace, and that any measures to combat cybercrime should cyberspace, and that any measures to combat cybercrime should comply with international law, avoiding violations of citizens' privacy and freedoms.

rDraft resolution format requirements

1. **Title in bold**, with the number assigned by the Chair.
2. **Committee and agenda name** in bold.
3. Countries listed in **alphabetical order**.
4. Drafting countries should have a blank space **for signatures**; country names in bold.
5. The resolution text should begin with the full name of the committee, **ending with a comma**.
6. **Preamble Clauses**: Begin with a gerund, in italic, each clause ending with a comma. Preamble Clauses do not involve specific operational plans but describe the basic situation of the issue and review actions already taken.
7. **Operative clauses**: Begin with a third-person singular verb, in italic, each clause ending with a semicolon, and the last clause ending with a period.
8. Operative clauses **constitute the main body of the draft resolution**; each operative clause should ideally contain only one verb and outline a specific, actionable measure related to the issue.
9. The draft resolution should **use numbers to indicate levels and sequence**, with appropriate indentation.
